

REMARKS

In response to the Office Action of January 9, 2006, the Applicant proposes the present amendment in the belief that it will bring the application into condition for allowance. By this amendment, claim 1 has been amended to include the limitations of claim 2, which was indicated as allowable if written in independent form, and claim 2 has been canceled. Claims 3-6, previously rejected, distinguish from the cited art in the same manner as amended claim 1 and are believed to be allowable.

Claims 7-11 have been previously allowed and the indication of such allowance is appreciated.

Reconsideration and allowance of the application are accordingly respectfully solicited.

Respectfully submitted,
